

THE PUTTING PRESS

OCTOBER 2010

SUMMER, WHAT SUMMER? GOLF SHOWS ALREADY? FALL SALE?

Summer's Gone!

Where did the summer go? It seemed like just yesterday we were finishing up our golf shows and preparing for the summer. Another year is coming to a close which means a new year will be upon us! At R&B and HammyY putters, we are having an "end of season sale", so make sure to check out our sites for sales and discounts. These special sales will continue through the fall and into the Christmas season so you can get that family member or friend a putter that they should have had to open up the season. If you become a fan of ours on Facebook or Twitter, you will receive the constant updates on what is going on in

our putter world at HammyY and R&B.

Golf Outings

We had the privilege of attending and donating putters and time to several golf events this past year. Shown below are some of the fun times we had at these outings.

Rick and Bob goofing around on the course.

One special event was the 4th Annual Disabled Veterans Golf Benefit held at The Links at Carillon in Plainfield, IL.

A special tribute before the outing with a flyby.

Golf Shows Already?

Yep, it's that time again; we are getting ready for the 2011 golf shows! We plan on attending 6 golf shows in Michigan, Illinois, Ohio, and Wisconsin. We will be in Columbus, Ohio to kick things off January 14-16th. We will be in Schaumburg, IL again at the North Coast Show as well as Milwaukee, Grand Rapids, Novi, and Cleveland. Make sure to check on Face-

book/Twitter for exact dates and times of shows. These are great shows to attend and get some awesome deals, so make sure you come by and say hi to us. Who knows what we will be wearing this year (remember our knicker outfits in the past)!

How to Wind Up the 2010 Golf Season

- **Finish the 18th hole with a par or better to keep you coming back.**
- **Tell your friends and family how much your new putter improved your game.**
- **Do an inventory on the amount of golf balls you lost this year and put that amount on your Christmas list.**
- **Grab a cold one or two or five and get ready for 2011.**

WHAT'S NEXT...

The 2010 golf season started off very well and is finishing off just like it started. To all the customers that we saw at the golf shows this spring, met on the course, visited with at golf events, and chatted with on the phone, we thank you for your support. We believe in our products and are continuing to make our products the best out

there. We are looking forward to another great year in 2011 and hope to see a lot of new faces, as well as old faces, at the golf shows. Check back on the website for dates and times of our shows. Send us an email while you are at it; we would love to hear from you! Enjoy the remainder of the year and see you soon! Putt well.
