

# THE PUTTING PRESS

JULY 2010

## HOT SUMMER DEALS, DEMO DAYS, GOLF OUTINGS, USGA CONFORMITY.

### Hot Summer!

As most of us bake in the hot sun this summer (especially out East), R&B and hammY are here to provide some cool summer deals. To find out these deals that are always changing, make sure to check out the websites listed below and be-

Golf Show specials are coming back

come a fan on Facebook to know when those deals are happening. Within the next few

weeks we will be having some "Back to School" specials so make sure to keep an eye out for that.

### Demo Days

R&B Putters has attended several demo day functions at local golf courses in the Chicagoland area. This has been a great success for us as the customer can now actually touch, feel, and use the putter without waiting for the golf show to arrive in his/her hometown. To find out when our next demo day is, become a fan on Facebook for "R&B Putters" for the latest updates.

### Golf Outings

Over the past two years, R&B and hammY have donated to

charity golf events and outings.

Group golf outing in Kansas

We at hammY and R&B strive to help those in need especially in these tough economic times. If you have a golf outing planned, don't hesitate to contact us for donations, and we will see if we can help.

### USGA

This past spring, R&B got word from the USGA that the High-Five putter conforms to USGA rules. The hammY putter also

conforms with USGA rules.

### Repair

Is that grip falling apart on you? Contact us and we can send out replacement grips or send us your putter and we can re-grip it for you. Check out our websites for costs and other accessories for your putter.

### Ways to Make Money at Golf

- **Golf with someone worse than you.**
- **Use an R&B or HammY putter on the greens.**
- **Keep the scorecard for your group.**
- **Sink those putts.**
- **Keep your group fully "hydrated" through the 19th hole.**

### WHAT'S NEXT...

Our presence at the golf shows this spring and taking part in demo days at selected golf courses have helped get the word out on our putters. We are very excited and very proud of our putting products. By becoming a fan on Facebook you will receive all of our latest updates as well as demo days that we may be attending.

We are gearing up for a strong fall season and look forward to meeting more of you out on the golf course. Feedback has been extremely positive, so keep those comments coming to us. We appreciate all the feedback and keep looking forward to an exciting future.

Putt well.
